Assistant Survey Analyst

Nasland Engineering has an opening for an **Assistant Survey Analyst** in our office in Kearny Mesa, San Diego. The candidate must possess a minimum of five years experience in current AutoCAD mapping techniques with an emphasis on boundary mapping, topographic survey data reduction, ALTA preparation and construction staking calculations including research at public and private agencies. Candidate may also be required to perform field duties as a member of a field survey crew, requiring numerous hours of standing, walking, lifting and bending, sometimes strenuous and in extreme weather conditions.

California LSIT is preferred and a valid California Driving License is mandatory.

Our benefits package includes vacation and holidays, paid sick leave, a 401K plan, medical and dental insurance.

We maintain a drug-free workplace and perform pre-employment drug testing.

For consideration send resume to: Nasland Engineering 4740 Ruffner St., San Diego, CA 92111, attention Carol Gooden or email carolg@nasland.com
